- ✓ Payment in full is required at the time of purchase
- ✓ Limited quantities and availability on some items
- ✓ All packages will be inspected by the state apiary inspectors
- ✓ If you have a DOA queen she must be returned in the original unopened queen cage within 2 days - a replacement will be provided
- ✓ You must pick up your bees on the designated pick-up date, Dave will contact you via email and phone when the date and location is determined
- ✓ An early April pick-up date is anticipated but bad weather can push this date out
- ✓ Make sure you have your hive ready before the bees arrive
- ✓ Package bees should be fed at the time they are installed, both pollen patties and sugar syrup are recommended, feed them until they won't take any more (sometimes this can last up to 6 weeks)
